Mr. Brian Hooper  
MSI Mechanical Systems Inc.  
10-12 Delaware Drive  
Salem, NH. 03079

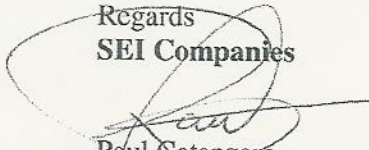

Dear Brian,

MSI Mechanical Systems Inc has been involved on several projects for which SEi Companies was the design engineer. The most recent was the EMC Corporation 4400 Data Center Upgrade project located in Westborough Massachusetts.

Because of MSI Mechanical high quality work and professionalism the project was a success. Over the years MSI has become a trusted Mechanical contractor, and has built personal relationships with my staff.

I can recommend them as a high quality contractor and we look forward to working with you and your team again.

Regards  
**SEI Companies**
